All written or verbal information about product properties and product application are given to the best of our knowledge. This information is based on our experience and cannot be warranted as the sole binding product properties. It is the customer's responsibility to check whether the ordered goods are suitable for the intended use. All measurements are subject to variations within the scope of the applicable manufacturing tolerances.

* Load capacity data according to EN 13117 refer to an ambient temperature of 23 °C.
